

Friends of the Team of Pianists

Dear Music Lover,

Since 1983, the Team of Pianists have given outstanding performances to appreciative audiences in historic venues, including Rippon Lea, Barwon Park and Glenfern, where the Team of Pianists are Artists in residence. They bring classical music to the wider community, often including guest artists in their performances. The Team also provide tuition and scholarships for talented young musicians and organise educational activities.

The Friends of the Team of Pianists support the Team in a variety of ways. In return, members of the Friends group enjoy many benefits, such as musical education, special discounts and 'Friends Play for Friends' events. The Friends provide an avenue through which you can show your support and we would like to extend an invitation to you to become a member.
